

A close-up photograph of a BBQ burger with fries and a dipping sauce on a dark plate. The burger is the central focus, featuring a thick, dark, charred patty on a sesame seed bun. Below the patty, there is a slice of melted cheese, a slice of tomato, and a piece of cooked bacon. A wooden skewer is inserted into the top of the bun. To the left of the burger, there are several golden-brown, thick-cut french fries. In the foreground, there is a small, rustic, terracotta-colored bowl filled with a white, creamy dipping sauce, possibly ranch or a similar dressing. The entire meal is presented on a dark, textured plate. The text "BBQ MENU" is overlaid in the center of the image.
