HOW TO FIND US BY ROAD, RAIL AND AIR.

Conference Aston | Hotel and Conference Centre Aston University

THE GREENER WAY TO MEET!

Conference Aston boasts an exceptional location on the Aston University campus, benefiting from extensive transport links; we promote using public transport when visiting our venues, with three mainline stations which are indicated on the following map, all stations are within walking distance.

If you walk from New Street station the average person will burn approximately 66 calories! That means you can enjoy a biscuit with your coffee when you arrive and not feel guilty!

Taking the train instead of the car can reduce your carbon emissions by up to two thirds!

We have highlighted the more environmentally friendly travel options in green. If possible, we recommend either travelling to us by rail, bus or metro.

WEST MIDLANDS E-SCOOTERS AND BIKES

Why not try the Beryl scooter or cycle hire if you're travelling to us from across Birmingham? This sustainable way to travel is available from across the city, with drop off zones on the Aston University Campus.

Discover more about e-scooters and bikes here: beryl.cc/scheme/west-midlands-e-scooters

RAIL TRAVEL

New Street, Snow Hill and Moor Street train stations are all within 10-15 minutes walk of the venue or a 5 minute taxi journey.

Please visit thetrainline.com for ticket details.
